The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Oconto Infusion Center Renovation in Fiscal Year 2026. The entity to receive funding for this project is the Bellin Health Oconto Hospital, located at 820 Arbutus Avenue, Oconto, WI 54153.

The funding would be used to redefine the infusion services space within the hospital's existing footprint. Funding for this critical service would help renovate a portion of the hospital to include a new infusion unit that will increase the number of patients they can care for at one time.

The project is an appropriate use of taxpayer funds because it would allow them to increase capacity and allow patients to receive infusion therapy closer to home with family nearby for support.

The project has a federal nexus because the funding provided is for purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Tony Wied
Member of Congress
