The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Appleton International Airport's Ticketing, Outbound Baggage, and Security Queuing improvement project. The entity to receive funding for this project is the Appleton International Airport, located at W6390 Challenger Drive, Suite 201, Appleton, WI 54914.

Over the past decade, ATW has experienced transformative growth. In 2015, the airport served 7 nonstop destinations and approximately 513,342 passengers. By 2025, ATW will serve 23 nonstop destinations and more than 1.2 million passengers annually, reflecting its emergence as a critical regional transportation asset for Northeast Wisconsin. This project addresses capacity constraints while supporting regional economic development that has fueled extraordinary air traffic growth. Existing facilities were not designed for this scale, resulting in congestion, operational inefficiencies, and diminished passenger experience overall.

The project has a federal nexus because the funding is federally authorized under Section 767(a) of the FAA Reauthorization Act of 2024. This project is consistent with federal goals for the development of safe and efficient airport operations. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Tony Wied".
