The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Town of Morrison to expand the bridge in order to meet road and safety standards in Fiscal Year 2027. The entity to receive funding for this project is the Town of Morrison, located at 7648 Morrison Rd., Morrison, Wisconsin, 54126.

The funding would allow the town to widen the bridge in order to meet the current town road standards. This bridge provides an important transportation link for residents, agricultural producers, school buses, and emergency services in the Town of Morrison. The existing structure has reached the end of its service life and requires replacement to maintain safe and reliable travel for the community.

The project is an appropriate use of taxpayer funds because it will strengthen rural transportation connectivity while supporting the movement of agricultural goods that are essential to the regional economy. The project has a federal nexus because it is eligible for funding under 23 U.S.C. §§ 133, the Surface Transportation Block Grant Program.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Tony Wied".
